Sat, Jan 23, 2021, 11 am EST: Special Event: Tool Time! A panel of opinionated braiders will share their picks for best tools to use while braiding. We'll also show some of our weirdest tools — how many of you have a sit-upon clamp? What about a Fern Carter Braid Bird?

Sat, May 8, 2021: Rug Challenge: Braided Hats and Braided Sculpture Whether we have a braid in or not, we'll have the Rug Challenge!

Other classes as determined by Questionnaire.
